

Do you operate a business in or from your home?

Did you know that Homeowner and Personal Umbrella Policies are not intended to cover a business you operate in or from your home?

If you have a business, please provide us details about your business so we can provide you information about how to make sure that your business is properly insured.

Name of your business:

What does your business do? _____

Do you presently have a BusinessOwners/Business In the Home Policy? Yes/No

If yes, please send a copy of the “Dec” Pages from your policy so that we can review it on your behalf. We will then provide you with feedback on the coverage that is in place.

Do your customers or clients come to your home? Yes/No

If yes, what is the average # of customers or clients that come to your home per week: _____

Describe where in your home that you meet with customers or clients.

Is there a separate entrance to this section of your home? If yes, please describe:

What are your anticipated revenues from the business for the next year?

\$ _____

Estimate the value of the business related property that is located in your home :

\$ _____

Estimate the value of the business related property that you take with you away from your home

\$ _____
